

Saturne

A surrealist painting in a warm, golden-brown palette. A woman with dark hair is depicted from the chest up, looking down with a somber expression. She is wearing a light blue garment. In the air above her, a small family of four (two adults and two children) is floating. To the left, a single light bulb hangs from a cord. In the background, a wooden door and a chair are visible. The overall style is expressive and textured, with visible brushstrokes.
